Dahua Access Control Temperature Monitoring

Face Recognition/Temperature Monitoring/Integration

- Liveness Detection
- WDR Camera
- 2.5D Curved Screen
- Anti-glare Interference
- Large Cpacity
- Accurate Temperature Measurement
- Mask Recognition
- Fast Recognition Speed
- Abnormal Temperature Alarm

Temperature Monitoring Distance: 0.3m-0.7m

Temperature Accuracy: ± 0.3°C

Temperature Abnormal Alarm

Large Storage Capacity

Key Features

Normal Temperature

Abnormal Temperature

PASS

Normal Temperature

Abnormal Temperature

PASS

• Face recognition is integrated with body temperature monitoring, no additional staff required.
• Non-contact access to reduce cross-infection.
• Large storage of face images and temperature information for easy back-tracking.
• Fast access to prevent congestion.

Application Scenario

Commercial Building

Apartment

School

Factory

Products

**DHI-ASI7213X-T/
DSS-Express**

· Temperature Accuracy: ±0.3°C
· Temperature Monitoring
  Distance: 0.3m ~ 0.7m
· Sound Prompt: Abnormal
  temperature alarm

**DHI-ASI7223X-A-T/
DHI-ASGB8xxX/DSS-Express**

· Temperature Accuracy: ±0.3°C
· Temperature Monitoring
  Distance: 0.3m ~ 0.7m
· Sound Prompt: Abnormal
  temperature alarm

**DHI-ASI7213X-T/
ASF172X/DSS-Express**

· Temperature Accuracy: ±0.3°C
· Temperature Monitoring
  Distance: 0.3m~0.7m
· Sound Prompt: Abnormal
  temperature alarm
